NOVEMBER 1989

MORE NEW NEIGHBORS!

Danny and Betty Blue moved into their home at 13 Bent Tree Lane a few weeks ago. They both work at Diamond Star Motors and Betty is also a licensed beautician. They have been married 9 years. They moved here from Decatur and they are enjoying the shorter drive to work and the beauty of Indian Creek.

Kevin and Tammy Fahling have started building their home on Lot 56 on Pepperwood Court. Kevin works in Computer Services at I.S.U. and Tammy works for Dunbar Breitweiser and Company, CPAs. They have lived in Bloomington for a few years and have been married 4 years. They hope to move into their 2-story home in February.

HOMEOWNERS ASSOCIATION:

A 1/2 Work Day is scheduled for Saturday, November 18th from 9:00 A.M. to Noon. Larry Meyer will distributed a flyer to all homeowners next week with details.

Volunteers are needed to operate the Ford tractor and mower for maintenance of the common areas. Call Larry at 728-2460 if you can help out. On-the-job training is available.

Firewood cutting of fallen timber in the common areas is encouraged now through March. This privilege is reserved for Indian Creek Homeowners.

We are awaiting additional bids for an air release valve to take air out of the water lines.

If you are interested in showing your home for a Christmas Walk around Indian Creek on a Sunday afternoon in December, please call Marcia Albritton at 728-2403.

HAVE A HAPPY THANKSGIVING!
