

Indian Creek News

JULY 1990

NEW NEIGHBOR

Dennis Maze and Susan Arnold are building a two story home on Lot 8 Candle Ridge Road. They both work at State Farm - Denny in Agent Training and Susan in Fire Data Processing. They plan to move in mid-August.

NEIGHBORHOOD WATCH

Signs for the Neighborhood Watch Program have been obtained and will be placed at the two entrances to Indian Creek in the next few weeks.

HOMEOWNERS BOARD

Daily water usage is being monitored and recorded at our well by Ron Parsons. This will be helpful in future discussions of the installation of water meters.

The second pump has been ordered. We don't expect any water interruption when this pump is installed.

GARAGE SALE

Carol Myers, who lives in the yellow house on Fox Creek Road, is having a Garage Sale on Saturday, July 14th. If anyone else would also like to have one that day, please give Carol a call at 728-2739 as soon as possible. Call me when you are planning a garage sale and I will provide signs.

ANNUAL PICNIC

Our annual Indian Creek Picnic is scheduled for the evening of Sunday, September 23rd. Please mark your calendars now to keep this date open.
