FRESH EGGS DELIVERY

Is anyone interested in eggs from free-range, organically fed chickens? There is a family owned, certified organic farm in Carlock and the wife delivers eggs to Bloomington. Carol Beneze had these eggs delivered to her home in Bloomington and she would like to have them delivered here in Indian Creek. If we have several families that would like to have home delivery, they will consider coming to Indian Creek. The eggs are all large brown and cost \$1.25/dozen. Call Carol at 728-2941 if you are interested.
