INDIAN CREEK CLEAN-UP DAY

Bill Roe has scheduled the Spring Clean-up Day for Saturday, May 2nd from 9:00 A.M. to NOON. Plan to meet at the bridge and bring rakes, wheelbarrows and chain saws. He hopes to rent a bark chipper to make additional shredded bark for the nature trail.

GARAGE SALES

Our Spring Garage Sales are set for Friday, May 15th and Saturday, May 16th with Lamplighter Subdivision. So far, Lamplighter has 7 homes and we have 3 homes planning to participate. Please call me at 728-2990 as soon as possible but no later than Monday, May 11th if you want to participate. I will be providing advertising and signs for this event again this year.

TRACTOR USAGE

The tractor has been repaired and is available for everyone's use. However, it is very important that it be maintained before and after each use by checking the oil and filling with gas. Each person who uses this tractor is personally responsible to keep it in good working condition in order to eliminate repairs.

GREATER TOWANDA AREA COMMITTEE

More volunteers from our subdivision are needed for the Greater Towanda Area Committee which meets only one evening every odd numbered month. Call Gail Briggs at 728-2187 to volunteer.

LAWN MOWING

Craig Reeves is available to mow lawns. If you are interested, call him at 728-2947. If your teenager is also planning to mow lawns or babysit this summer, call me to put their name in next month's newsletter.
