MAY 1992

## INDIAN CREEK CLEAN-UP DAY

Thanks to all who helped on the Clean-up Day. The nature trail now goes all the way around the Common Area with bark on most of the trail.

## GARAGE SALES

We had eight homes participate in the Garage Sales. If anyone would like to do a Garage Sale this summer, call me for signs. We plan to do these again in September with Lamplighter.

## WATER RESTRICTIONS

We all appreciate the timeliness of Mike Cunningham in letting us know about the low pressure situation on May 20. According to Mike the water system is back to normal. However, it is of utmost importance that we maintain our water resource during dry weather periods. We still need to observe the odd/even watering schedule according to your box number. We need to all work together to continue to conserve this valuable resource. If you have any questions, please call Mike at 728-2218.

## BABYSITTERS / PET CARE / LAWN MOWING

Enclosed is an updated list of teenagers from the neighborhood who babysit, take care of pets and mow lawns. They really would like your support!
