## NEW NEIGHBORS

Rich and Lori Cross moved into the home at the South entrance on Lot 24 Candle Ridge Road. They both work at State Farm - Rich in Programming/Accounting Services and Lori in Claims Programming. They moved here from Royal Pointe Subdivision in Bloomington however, he is originally from Chicago and she is from the small town of Lacon near Peoria.

Chuck and Sue Proesel and their two sons, Mike 10 and Matt 9, have moved into Lot 4 - Box 321 Candle Ridge Road. Chuck is a dentist with his office in Gridley and Sue is a dental hygienist currently managing the P.S. Academy/Martial Arts in downtown Bloomington. Their sons attend Blooming Grove School going into 3rd and 5th grade this year and are already enjoying fishing in the creek and the baseball field.

## NEW TRACTOR

In case you haven't noticed, we sold the old tractor and mower. As part of the deal, we agreed to delivery. A special thanks to Mike Cunningham for obtaining a trailer, Bill Roe for his Jeep to transport the tractor, and to Bob Hancock for making phone calls and providing moral support. Also, a special thank you to Larry Meyer for making several phone calls to get the best price on our new mower. Our newer tractor is DIESEL and we recently bought a new mower. This tractor requires a key to start and a locking fuel cap has been added. Remember DIESEL fuel only and check fluid levels before operation. If you plan to use the tractor we suggest you contact a board member for the combination to the lock box and it's operation.

## LICENSED DAYCARE

Carol Hermann, #5 Bent Tree Lane, would like to help other Indian Creek parents by providing licensed family daycare HERE in Indian Creek Subdivision. She hopes this will not only provide her 4 year old son, John with playmates but other area children as well. Her family daycare program has the advantage of being relaxed, but does involve routine, and structured activities. For more information, call Carol at 728-2621.
