SPRING WORKDAY

Our Spring Workday is planned for Saturday, April 13, at 8:00 a.m. until noon. Clean up jobs planned are 1) clear brush around specimen trees, 2) cut locust trees near water tower and in common area southeast of the baseball field, 3) install wood screen at tractor storage area, 4) install drain tile from swamp area near the beginning of the trail west of bridge, 5) clean and trim trail as needed. We really need 10-12 people to help on Clean up Day. Bring chainsaws and rakes and encourage your teenagers to come help. Meet at the Bridge at 8:00 a.m. Doughnuts and soft drinks will be provided. We usually work until noon, but any amount of time worked will be appreciated. Rain date is April 27th.

Dave & Judy Schulthes on Bent Tree Lane had two stray cats show up around a week ago. They are female, one black & white and one all black, around a year old, and very friendly and beautiful cats. If anyone knows who they belong to or if anyone in the area would want to give them a good home, please call Dave or Judy at 728-2927.
