## PROPERTY TAX APPEALS -

For those of you who filed an appeal and it is past the 30 days response time expected from the County, the State tells me that the County has an extension until October 14th to respond to our appeals to the state, who will then contact us of the revised assessment and we will have 30 days to respond after notice.

## PHONE RATE INCREASE

Just in case you didn't read page 3 of your last phone bill, our rates are being increased substantially by Frontier Phone. Enclosed is a letter from Mike Cunningham indicating who to call at Frontier and the Illinois Commerce Commission to complaint about these rates. If you refigure your last phone bill at the new rates it is likely you will find your bill *doubled or tripled*.
