Dear Residents,

I would like to take this time to thank each and everyone of your that have commented on this newsletter these past six months that I have been doing it. Any and all comments are always welcome and many of you have expressed how you anxiously await the arrival of this each month. I hope to continue doing the newsletter for you as long as you want me to, however, I do need news to place in it!!! Please make sure you let me know of any news--family, school, business, extracurricular, whatever may be of interest to your friends and neighbors of Indian Creek.

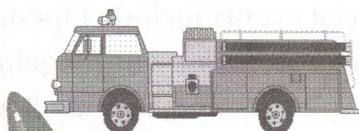

I am beginning to receive calls from Towanda residents and businesses and that pleases me as I want to pass along any and all information that may pertain to us. However, I would love to have more input by the residents themselves! This is your sounding block! Please use it!!!

I wish you and your loved ones a Happy Holiday Season!

Vicky Hogan

## LOOKING FOR DONATIONS

I am in charge of the Towanda Elementary's Chili Supper Raffle this year.

We are going to do something a bit different that includes having theme baskets to auction or raffle off as well as a smaller version of our traditional raffle.

I am looking for people that have their own businesses or families that would just like to donate a basket for this cause.

Giving you an idea of what I am talking about, I already have Avon representatives that are making up Avon filled baskets for me.

If you have a business, whatever you may sell or advertise for might make a lovely basket.

If you have no business but would like to make a basket to donate, you can pick a theme and fill it

full of goodies for that theme (ie...baby, teen, meats, gift certificates, pasta, bath, cooking, artist, etc...) You decide what sounds interesting!

You will be recognized for your contribution in advertising for the Chili Supper. Call me with any questions or with your offer to make a

basket. We will take items to place into baskets as well! Vicky Hogan 728-2863
