Library News

Submitted by Mary Williams, Towanda District Librarian

Have you noticed the new directional sign for the Towanda District Library on the Towanda-Barnes Road? Thanks to the McLean County Highway Department, it will now be easier for patrons to find our library, and it will be easier to give directions to the library!

Mary Williams, the library director, is looking for one or two dedicated volunteers to help with miscellaneous tasks at the library, from entering information into the computer to filing cards to helping to process new books. Stop by or call Mary at the library at 728-2176 to see if this is a good volunteer project for you!

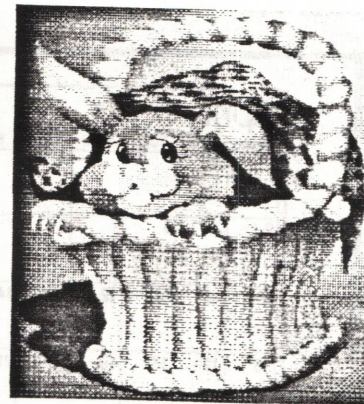

April 9-15 is National Library Week. Please stop by and get a library card, to browse our collection or to see what we have that is new. The Towanda

Busy Bees will provide cookies for patrons to help us celebrate.

Shirley Porter has been offering Wednesday morning story hours for many years now. She has a dedicated following of preschoolers and parents who come every week for stories and craft projects. Come and join them at 10:00 am on Wednesdays.

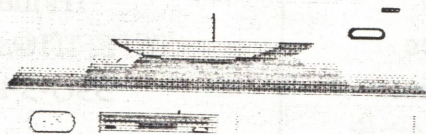

All Towanda Elementary students have been or will be invited for a musical story time at the library. Mary Williams will read stories and sing songs with the autoharp. So far, we have had a very enjoyable time with the kindergarten and first grade classes and look forward to working up through 6th graders. Ask your child if he or she has made a recent trip to the library. All students will bring home a copy of the library's hours and an application for a card.

APRIL EVENTS

- 1st: April Fool's Day
- 3rd: Unit 5 Back to School after Break Towanda PTO Meeting 7 pm

Spring Work Day Evergreen Aid

Our Spring Work Day will be held April 29th, 2000 from 9:00 am until 12 noon. Anyone interested in assisting on that day, please meet at the bridge by 9:00.

Your help is how we keep the subdivision looking great!

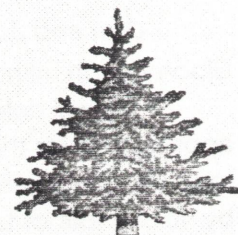

R-EZ Storage

Mini-storage units located behind the FS FastStop Station are ready & awaiting your needs. Call Evelyn Zorn or Richard Zorn at 728-2233 for more information.

Carol Gleason, Consultant

Some of the Pine trees in the subdivision have a disease called Zimmerman's Disease. If you think your trees may be infected, Greg Beneze has offered to apply a spray treatment to them. The First Application should be done in early April so give Greg a call at 728-2941.

728-2025

3 Bent Tree Lane, Box 292

Creative Memories Workshops

Why you need to come to my workshops:

10. Fido, Little Susie and Big Larry won't be there.
9. The phone won't ring for you (unless you are silly enough to bring it along or give out my number).
8. My dust bunnies won't make you feel guilty.
7. You are encouraged to "steal" other croppers' ideas.
6. My tools and special trimmers are available for you to use.
5. You deserve to treat yourself to a night out with your friends to have fun, catch up with them and make great progress on your albums.
4. There will be snacks!
3. Shop for gifts without the mall traffic.
2. Impress your friends and family with your creativity and talent (They don't need to know your ideas came straight from the Ideas book and Crop Talk lessons!) Not Creative? Can you say- copy?!!
1. Because it is more fun to work on your albums at my house than yours.

Remember: working on your albums is not a matter of time, but a matter of commitment!

Next Workshops are April 1st at 10-1 and 1-4, April 6th from 6-9pm, May 6th from 10-1 and 1-4, and May 11th from 6-9 pm. Give me a call and reserve your space now!

INDIAN CREEK SUBDIVISION

PROFILE

A PROFILE ON AN INDIAN CREEK SUBDIVISION FAMILY
(INFORMATION PROVIDED BY FAMILY)

THE FERRIER FAMILY

Jim and Judy Ferrier were both born and raised in north central Indiana. They moved to Bloomington, Illinois in 1972.

Jim will celebrate 30 years with State Farm this June. he spent many years working with PC applications for the Agency Force. Shortly before they moved to Indian Creek in March of 1998, Jim took a job in Agency Incentive Travel. His team plans and implements the trips that Agents can earn by selling lots of Life Insurance. This job involves a lot of travel, so he had to give up one of his hobbies--playing drums in a dance band on a regular basis. He still, however, enjoys an occasional gig with a couple of local groups that specialize in "oldies-but-goodies" or Dixieland jazz.

Judy Ferrier has worked for State Farm since September 1997, first in the Customer Response Center and now in the Corporate Library. "In a previous life" she was an elementary teacher, then a substitute teacher and then a test administrator at a Certification Testing Center. She enjoys traveling with Jim occasionally (as his schedule and Judy's limited vacation time will allow!). She sings with the Heart of Illinois Chorus in East Peoria. They sing 4-part harmony barbershop-style and belong to the world's largest women's singing organization--Sweet Adelines international.

Doug Ferrier, Jim and Judy's son, graduated from Bloomington High School in 1993 where he was active in band (another drummer!), BHS Singers, swim team and theater. He graduated from Augustana College in 1997 with degrees in Business Administration and Speech Communications --and was also in the Augie choir and several theater productions.

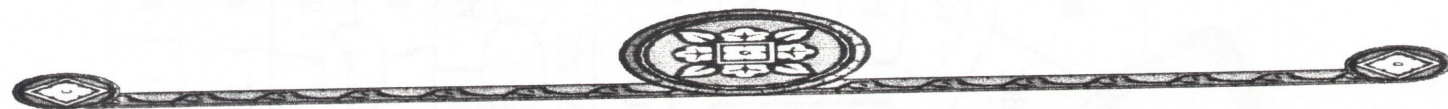

In July 1997 he accepted a job with the JET (Japanese Exchange Teacher) program. He was employed by the Japanese government as an Assistant Language Teacher at an Academic High School in Morioka, Japan. His task was to help the Japanese students learn to use conversational English. If you have an hour--or a WEEK--he would be happy to discuss his wonderful experience of learning to live in the Japanese culture. While interviewing for several jobs, Doug kept busy by tutoring a Japanese student in Normal, substitute teaching and serving as Christian Education Director at St. Luke Union church. March 1 Doug started working as a trainer in the Health Strategies Department at State Farm. He's doing some on-site training and will also be working with the Interactive Distance Learning project in the future. He enjoys singing with the Bloomington Barbershop Chorus and is experimenting with Quartet Singing now too.

The Ferriers seem to be a very musical and State Farm oriented family!!!

THE FERRIERS RESIDE AT WHAT THEY KINDLY REFER TO AS "WATER TOWER PLACE", BOX 238, 3 CANDLE RIDGE.

IF YOU WOULD LIKE YOUR FAMILY FEATURED HERE, SEND YOUR INFORMATION TO VICKY HOGAN AT 3 FOX CREEK ROAD OR DROP IT OFF IN THE PAPERBOX AT BOX 254.
