We are attempting something new with planning the Garage Sales this year.

Due to Indian Creek resident response during the planning of last year's sales, there will be two sales in the Spring.

The first sale will be April 20 & 21. The second sale will be held May 18 & 19. These sales are Towanda area wide with Lamplighter and the town of Towanda also participating.

Should you wish to participate in either sale (April or May or both), you will need to submit \$3.00 per sale for advertising purposes along with your name, address, phone number, day(s) you will be participating, and a short list of potential items you will be offering to Vicky Hogan, 3 Fox Creek Road by the following dates:

April sale: Need info & fee no later than April 6.

May sale: Need info & fee no later than May 4. Questions? 728-2863

## ***RECIPE EXCHANGE***

I have had some residents ask about including a Recipe Exchange in the monthly newsletter.

If anyone is interested, please drop your recipes in the mail to me at 3 Fox Creek Road, Towanda and I will gladly print a "themed recipe roundup" each month when space allows.

Recipes must include all ingredients, instructions, your name & address.

No interest? No recipes will appear in newsletter.

# Library News

The library has purchased many new excellent health and medical books with the Collection Connection grant awarded to them from the State of Illinois-Illinois State Library. There is a separate display of these books on the circulation desk. These new titles cover many subjects such as weight loss, personal training, stretching, sports medicine, foot care, yoga and beauty. They have also purchased new titles on diseases and conditions: heart, thyroid, childhood illnesses, menopause, irritable bowel and diabetes. Mental health books include titles on depression, anxiety, panic, memory and stress. Look for more to come in soon!

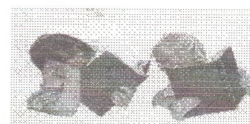

The library has many tax forms. If they don't have what you need, you can make copies from the reproducible notebooks available.

The library was given gift subscriptions to This Old House Magazine, The Nation and The Smithsonian. You will find these along with the other magazines in the adult department.

The library is happy to announce they have two new volunteers! Bernice Gilchrist has been cleaning the covers of the children's picture

books. Neil Sallee, an RSVP volunteer, will be assisting the treasurer with bookkeeping and payroll. The library welcomes them and are very grateful for their time and energy.

Do you want to volunteer for the library? Contact Mary Pasek Williams, Director at the library located at 301 S. Taylor in Towanda.

## TIME FOR ANNUAL UPDATE

I would like to make it an annual event that all information about residents be turned into me by April 1st so that all information can be printed and added to the May or June newsletter. This information includes names, addresses, box numbers, phone numbers, members of the family residing with you, members of the family wishing to do child care, babysitting, pet care, house-watching, lawn care, etc..., email addresses, and any business you would like to publicize to fellow Indian Creek residents. Please take a few minutes to sit down and write out this information and drop it in the mail to me before April 1st so we will have a complete update of information for 2001. Send to Vicky Hogan, 3 Fox Creek Road.
