

Garage Sales

The Garage Sales for May 2001 will be held on Friday, May 18 and Saturday, May 19. April may have been too early in the year to have a sale, but May is just the right time to get the "Garage Sales" going!

There is a \$3.00 advertising fee for each home that has a sale. This money needs to be turned in to Vicky Hogan no later than May 5 to get your sale advertised on the flyers distributed throughout the Towanda area and during the sale themselves. An ad will also appear in the Pantagraph advertising all area sales so make sure you get a list of items you may have in your sale (just a condensed version) along with the \$3.00 fee to Vicky now!

Directory Info

Final request for any and all information needed from all residents to update the 2001-2002 Indian Creek Directory!

I have had minimal response to this request and need to make sure there are no changes for any resident in regard to names, children living at home, phone number, home business, email address, etc... I am starting from "scratch" on the children's lists for babysitting, etc.

Our Board

Congratulations to Jimmy Young, our new Board President! Jimmy resides with his wife Bonnie and their four children on Fox Creek Road. We look forward to him serving as our President of the Homeowners' Association!

Thank you, Jimmy, for taking on this responsibility!

Indian Creek Newsletter

so if you have not turned in that information in the past few weeks, you will need to get that into me before the deadline.

All deadlines for this information being turned into Vicky Hogan are May 20th.

I hope to have the updated Directories and Child Services (Home Businesses if there is enough response) ready to be delivered with the June newsletters. I can only do this if all residents will turn in updates!

If I have not received updated information by May 20th, I will assume all information from the previous directory is correct and will leave as such.

Your information can be placed in my paperbox at 3 Fox Creek, Box 254, mailed or left on my answering machine at 728-2863 or 664-3500 ext. 251.

Thank you.

Vicky Hogan

LIBRARY NEWS

The library will offer Sunday morning story hours for preschoolers during the month of May. Susan Foster will read stories from 10:00 to 10:20 am on the following Saturdays: May 5, May 19, June 2, June 16, and June 30. No registration is necessary! Call the library at 728-2176 for more information.

The Towanda District Library's 2001 summer reading program, "Feed Your Need to Read," will run from June 11th-July 18th this year. Registration begins on Monday, June 4th. All students through grade six are welcome to register. We will have a program from 10:00-11:00am, except for Wednesday, July 4th, when we will march in the parade! More information will be available soon.

We are pleased to announce that we registered many new patrons during National Library Week in April! The Towanda Busy Bees provided library patrons with many plates of homemade cookies every day of National Library Week. We are grateful to them for these delicious treats!

The book sale, held on Saturday April 21 during the Towanda Area Garage Sales was a great success. We had many visitors from Towanda and from out of town who purchased books. We thank all of you who donated books to the library for the sale. And once again, we thank the Towanda Busy Bees for helping with the sale, for providing cookies to the volunteers, for staffing the cash box and for helping to put the books away.

The library has a few used items for sale: a thermal fax machine, an Apple IIe computer, and an old 386-equivalent personal computer, all in working order. All others will be considered. We also have two five-gallon buckets of unused paint (light mauve color, Benjamin Moore) for sale. Call the library at 728-2176 and ask for Mary Williams.
