Fourth of July Celebration

Don't forget to stop in and check out all the 4th of July festivities in Towanda beginning July 3rd with the Spaghetti Dinner. Boy Scouts are collecting canned goods for Clare House so take a long a can or two! Desserts, wrapped for individual servings, can be delivered to the Community Building or to Vicky Hogan by 5:00 p.m. July 3rd! Show your local patriotic spirit and participate!

A Note From Our Water Chairman

You may have noticed 2 lights mounted on the south side of the water tower. Our water system has 2 power lines. It is also possible to lose power to the well but not to the tower or subdivision (what happened a couple of months ago when the well went dry!). If you should notice that both lights are either on or off or the red one is on, please call Tim Mogill at 728-2048 immediately.

MediaCom Update

I have contacted the person I was instructed to contact in regard to the interest level in MediaCom services to Indian Creek. I have told him he may send flyers to me or give me necessary information for residents with questions or a desire to begin service. I have not had further correspondence since then. I will pass along any information I may receive. Thanks to all residents who called and stated their desire or lack of desire for this digital television service! If you wish to contact MediaCom yourself, the telephone number is 1-800-874-2924.
