Towanda District Library News for September

The fall session of Wednesday morning story hour will begin September 4 and run for 8 weeks through October 23. Three to five-year olds will meet from 11:00-11:30 am. Registration is limited to 10 children and is filling up, so call to register your child now at 728-2176. If you are interested in story time for your 18 month to two-year olds, please let the library know.

The library wishes to thank its two newest volunteers: Charlie Shoemaker for changing fluorescent light bulbs and Dawn Sutter for covering books. A volunteer is still needed for the recycling and computer support.

The library is hoping to annex Blue Mound Township into their library district and will have a referendum placed on their ballot Nov. 5. Blue Mound Township does not currently have library service. If you know of anyone who lives in that area, please tell them about our library and direction questions to Mary Williams at 728-2176 or to any library board member.

Our own Tim Mogill was voted on to the Library Board! The library now has a full board but several openings will come up in May of 2003, so if you're interested in becoming a library trustee, please let the library know.

We would like to welcome our newest neighbors to Indian Creek!

Both Louie and Chris are originally from this area, Chris having lived directly behind Indian Creek subdivision and are pleased to be living in the subdivision. They truly enjoy the cul de sac they are living on. Chris stated people have been very friendly since their move in. They enjoy taking walks and being outdoors with their greatest joy being Anna and Cassi. You will note Louie and Chris have been added to the Directory. Please make them feel welcome!

DIRECTORY UPDATE

Please find attached your copy of the 2002 Indian Creek Residential Directory. If information is missing or incorrect for your household, please either email it to me at vickyhogan@yahoo.com or drop it in the black mailbox located on the mailbox/paperbox post at 3 Fox Creek Road as soon as possible. I will make corrections and additions as needed. This directory is given to all Indian Creek Residents only. If the school districts request a copy, I do send it to them as well. Please do not abuse this directory by giving it out to others. This information is for residents only.

IN NEED OF INFORMATION

I am asking that the people that purchased the Roe home at 11 Bent Tree Lane and the people who have purchased the Chapko home at 28 Candle Ridge Road please write down (or email me) the following information: Names of persons residing in the home, telephone numbers, email addresses, business/occupations, hobbies, where you moved from, why Indian Creek was your selection, and any information you would like to share with your new neighbors. I had left surveys in your mailboxes some time back but have gotten no response. Please leave it in the black mailbox at 3 Fox Creek Road or better yet, email me the information as soon as possible so that I may complete our directory information and welcome you to Indian Creek in the October newsletter. Also, Gleasons and Muellers: If you will send me the information on the listing price and features of your homes, I will gladly place them in the newsletter or possibly send out an additional flyer about them. These two homes are currently on the market.
